

**CITY OF SANTA ANA
MEMBER OF THE CITY COUNCIL
WARD 1**

JOSE SOTO

OCCUPATION: Playwright

Throughout my life I have always have the willingness to serve those around me. When I was an executive officer for the Associated Students of Orange Coast College, I always represented the voice, and the opinion of the students concerning issues that affected them. Since joining Madison Park Neighborhood Association Board and helping rebuild that neighborhood, I am experienced with the issues, both small and big, that concerned my neighbors and other neighborhoods.

As far as my positions on the issues, I have always sided with what was the best interest of the community and the citizens of Santa Ana. I believe that we can create more efficient, reasonable and logistically feasible development projects, both in transportation and downtown development. I share the same vision of living in a city that has clean and safe streets and plenty of park space for our growing families.

I strongly believe in correctly representing the people who have vested their trust on me. What I would bring to the Council is a fair, open minded, untainted, perspective on the issues keeping the citizens of Santa Ana's best interest in mind. With both, neighborhood improvement and business growth we can build a better Santa Ana.
